EMTEQ Receives Silver Boeing Performance Excellence Award

New Berlin, Wis., USA (May, 2014) – EMTEQ announced that it has received a 2013 Boeing Performance Excellence Award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance. EMTEQ maintained a Silver composite performance rating for each month of the 12-month performance period, from Oct. 1, 2012, to Sept. 30, 2013.

This year, Boeing recognized 582 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. EMTEQ is one of only 458 suppliers to receive the Silver level of recognition.

“This year at the Suppliers of the Year Event held in Chicago, EMTEQ was recognized, for the fifth year in a row, for achieving the Boeing Performance Excellence Award. On behalf of our team, I would like to thank the Boeing Company for recognizing EMTEQ’s quality and support for Boeing’s aircraft upgrade programs,” Sam Matar, Director of Global Business Development.

EMTEQ supplies avionics and LED lighting upgrade solutions to Boeing’s commercial and government businesses. EMTEQ supplies engineering, FAA STC avionics installation kits, as well as Interior and Exterior LED Lighting products. EMTEQ has supported Boeing programs for over a decade.
