# EMTEQ Europe Granted FAA & TCCA Repair Station Approvals

*EMTEQ's Global support continues to expand*

**New Berlin, Wis., USA (September 2010)** – EMTEQ Europe GmbH has been granted an FAA Air Agency Certificate and TCCA Approval Certificate. EMTEQ Europe's FAA approval, certificate number Q4ZY588B, was received on August 31<sup>st</sup>, 2010 while the Transport Canada TCCA approval, certificate number 810-14, was received August 13<sup>th</sup>. These new approvals are in addition to the Bachenbülach, Switzerland office's existing EASA Repair station approval, certificate number CH.145.0239.

EMTEQ will continue to provide high quality products and services while offering more flexibility to customers with repair stations globally. EMTEQ also holds an FAA Repair Station certificate (E3TR548Y) and an EASA Repair Station certificate (EASA.145.6098) at their New Berlin, WI USA facility. EMTEQ's Canadian office, ACS-NAI in Winnipeg, MB, Canada, is a Transport Canada Design Approval Organization (DAO 98-C-01) and Approved Maintenance Organization (AMO 88-97) which also has TCCA authorization to manufacture and distribute aeronautical products for which it holds the approvals and authorizations.
