EMTEQ Receives Gold Boeing Performance Excellence Award

New Berlin, Wis., USA (February, 12, 2010) – EMTEQ announces that it has received a 2009 Boeing Performance Excellence Award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance. EMTEQ maintained a Gold composite performance rating for each month of the 12-month performance period, from Oct. 1, 2008, to Sept. 30, 2009.

This year, Boeing recognized 486 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. EMTEQ is one of only 128 suppliers to receive the Gold level of recognition.

“It was an honor to be recognized at this event. At EMTEQ we strive for customer delight and we’ve worked hard to build the strong relationship we have with Boeing and look forward to continuing that in the future,” said Mark Miller.

EMTEQ supplies integrated boxes, avionics trays, RF Cable assemblies, wire harnesses and mechanical parts to Boeing working with several divisions since 1998.
