EMTEQ Receives Silver Boeing Performance Excellence Award

New Berlin, Wis., USA (February 9, 2011) – EMTEQ, Inc. today announced that it has received a 2010 Boeing Performance Excellence Award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance. EMTEQ maintained a Silver composite performance rating for each month of the 12-month performance period, from Oct. 1, 2009 to Sept. 30, 2010.

This year, Boeing recognized 558 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. EMTEQ is one of only 417 suppliers to receive the Silver level of recognition.

“At EMTEQ we strive for customer delight. It is an honor to receive this award and we look forward to continuing the strong relationship we have built with Boeing,” said Mark Miller, Business Unit Director with EMTEQ.

EMTEQ supplies integrated boxes, avionics trays, RF Cable assemblies, wire harnesses and mechanical parts to Boeing working with several divisions since 1998.
