FAA STC: ST03330AT

Master Drawing List: 2-33226-001

Aircraft: Beechcraft 400A

Configuration: 1

EMTEQ LED Reading, LED Washlight System and Air Gasper Installation (RK-110 and after)

Mod. Order: 2-33226-800

AFMS: N/A

Master Kit List: 2-33226-801

ICA: 2-33226-905

Configuration: 2

EMTEQ LED Reading, LED Washlight System and Air Gasper Installation (RK-1 thru RK-109, except RK-98)

Mod. Order: 2-46201-800

AFMS: N/A

Master Kit List: 2-46201-801

ICA: 2-46201-905

Summary:

The EMTEQ LED Reading and Washlight systems replace the existing incandescent and fluorescent lighting. The EMTEQ LED lighting utilizes all of the existing lighting controls and there are no changes to the operational aspects of the lighting systems. The EMTEQ Air Gaspers are direct replacements for the existing OEM units.

Notes:

* XXX is the length in inches
